

Setting up Travelnet Guest Access

1. Visit Travelnet>Manage My Account>Guest Permissions
2. Ensure each pass rider has a SkyMiles number
3. Scroll to Permissions and grant access
4. Share the guest login URL: <https://travelnet.delta.com/guest>

Step 1:

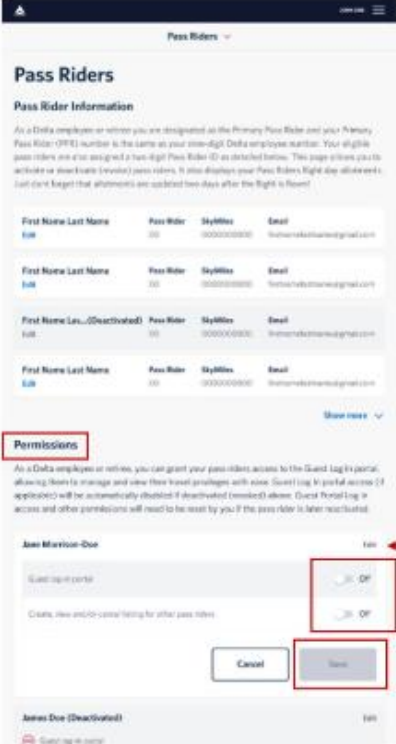

To enable guest log in access for pass riders, each pass rider should have a Delta SkyMiles number. Add SkyMiles number by simply clicking the 'edit' button.

Once the SkyMiles is added, click 'Save' button.

Step 2:

Once a SkyMiles number is added for the pass rider, you can move down to the 'Permissions' section and enable Guest Log In for pass rider.

Click 'Edit' button to display permissions available.

Turn on toggle for permissions you wanted enabled. Once you're finished click the 'Save' button.

Your pass rider now has Guest Log In access.
